DETAILED REPORT.

I would report about 6.20 this P.M. Mike Dunn aged 34 years residing #1421 St Louis St, shot and killed John Patton aged 28 years, by firing three shots into him from a 38 Calibre Forehand Arms Co revolver in the alleyway of Pattens residence #1423 St Louis St near Marais. One of the shots took effect in the breast about half inch below the left nipple perforating the liver and heart and killing him almost instantly.

From the Statement of witnesses to the tragedy it was a cold blooded murder.

Edward M. Ragan residing #1427 St Louis St, states that he was throwing water out of the alleyway that runs back of the house that John Patton was killed in. He saw the man that killed Patton sitting on the steps of a house on Marais St near the alley, as soon as Patton came home and was in the alley going into his gate, the other man run in behind him and began firing at him, Ragan became frightened after the second shot and ran away. Ragan fully identified Dunn as the man who done the shooting.

Antoinette Cefalu residing #1419 St Louis St. states that she was standing on her back gallery, and could see into Mike Dunns room, She saw Dunn unlock the door and go into his room, and saw him come out with a revolver in his hand, he ran down stairs and out into the alley, She then heard three shots fired but did not see the shooting.

Ida Stowe residing #1433 St Louis St states at about 5 o'clock this P.M. She saw Mike Dunn sitting on a steps on Marais St. near the alley and looking up and

down the Street. She saw nothing of the Shooting, but heard the Shots fired a little after 6 o'clock P.m.

It seems that Dunn and Patton have been on bad terms for some time, and had preferred counter charges of Threats and Slander against each other. Dunn was tried this morning for Slander in the 2nd C.C.C. and sent before the higher court. This angered him greatly and he lay in wait for Patton and Shot him as above stated.

Dunn has been residing with a prostitute named Emma Frances at # 1421 St Louis St. She has been drinking all day and seeking a quarrel with Pattons paramour who resides next door and is supposed to be the instigator of the Killing. Dunn and Emma Frances were arrested by Patrm. Ben Brunean charged with murder. Dunns revolver with three Chambers freshly discharged was held as evidence.

The Coroner viewed the body and gave a certificate in accordance with the above facts.

Dunn has been employed as a flyman at the Crescent Theatre and Patton worked at anything he could get. He was a native of Alabama and has been a resident of this city for about nine years. The ambulance was summoned but Patton was dead before its arrival.

Marcus' Furniture Dealer #1615 N. From what could be learned from Witnesses to the affair, it appears that Jones had some trouble with Blanchard some few days ago, which resulted in Blanchard being slapped. to get a drink; Blanchard who had been in the Barroom some time, went up to the Bar, Then the trouble began. Some witnesses say that, Blanchard, without any words, pulled his revolver and began firing; Others say that, Jones struck Blanchard first, Evidently the latter statement is correct as Blanchard has a scalp wound on the left side of the head, which bled freely and which he says was inflicted by Jones with a glass. About four shots were heard only two of them found lodgement in Jones's body. The Ambulance was summoned and on its arrival, the Sergeant, hastily placed the apparently dying man in the same and conveyed him to the Hospital, where he died at 10.20 P.M. - The pistol with which the deed was committed was either dropped or taken away from Blanchard, but who gave a description of the weapon used. Rocheblave St. between Gravier and Perdido Sts. by his brother-in-law, Albert Duncan, also colored. Before the search was finished Duncan left and going to a hardware store at the corner of Tulane ave. and Rocheblave St. bought a box of cartridges for his shot gun. When he returned to the house Waterman was gone. He loaded his shot-gun and seated himself on a bench in front of the house. In about half an hour Waterman returned. When he saw Duncan he put his hand to his hip pocket as if about to draw a weapon and Duncan raised his shot gun and fired twice at Waterman, one of the charges of No. 8 shot taking effect in the left side of his head and face and the other in his abdomen with the above result.

The coroner was notified and the body was taken to the morgue in the patrol wagon. The wagon was in charge of Patrolman Monroe McKerren and Driver Charles Frank.

At the morgue the sergeant found a Colt's revolver in the left hip pocket and an Iver Johnson revolver in the right hip pocket of the dead man. DETAILED REPORT.

Sergt Peter Perez reports that about 1.30 this A.M. a difficulty took place at the Restaurant Francais #514 Madison St between the Proprietor Emile Schmitt and one Bazile Pujol residing No 539 Toulouse St and employed at Lopez's Confectionery on Canal St as a Dish-washer, which resulted in Schmitt drawing his revolver (an Iver Johnson made 38 Cal) and firing one shot at Pujol, which took effect over the left eye, killing him instantly. It appears that both men left the Restaurant about 9 P.M. and returned about 11 P.M. slightly under the influence of liquor, and were in the Restaurant up to the time of the shooting. Schmitt's wife states that she heard the shot and came in the back gallery and looking over the banisters, saw the body of the man lying in the Hall in rear of restaurant and exclaimed "My God, What have you done!" and began screaming, whereupon her Husband, told her to shut up or he would kill her and started up-stairs, she locked the door, when he broke the same open, She then went to the front gallery and got into the next house. There were no eye-witnesses to the Killing and Schmitt's statement is to the effect, that Pujol and himself were in the restaurant, rolling Poker dice and that he (Schmitt) wanted to close up, but Pujol insisted on staying, he started to put him out, when a struggle took place, which resulted as above stated. After the shooting Schmitt dragged the body of Pujol from the restaurant into a back hall and locked up the Restaurant, and came to this Station, and surrendered and turned over the revolver, with which he did the shooting. He was locked up charged with Murder. The Ambulance was summoned, but upon its arrival, the man was dead. The dead man is a native of Hautte Pyrenees, France, about 38 years of age and employed as above stated. It is stated that he has a Cousin named Marie Pujol, employed at Lapleze's Canal st and also has a cousin residing on Poland and Dauphine st, but name not learned - By order of the Coroner the body was removed to the Morgue per 1st Pct Patrol Wagon in charge of Patrlm M. McKernan and Driver Frank Pallessier - Coroner notified

DETAILED REPORT.

Capt Jno B. Cooper reports that about 10:20 this P.M, a difficulty took place in the Restaurant, Oyster Saloon & Barroom of Jos Giardina No 1119 Decatur St, between Gaspar Lepharo, aged about 42 years, residing at No 2701 Chartres St and Jos Scrio, aged 18 years, residing at #1222 Decatur St, which resulted in both men drawing revolvers & firing - Lepharo was shot once, the ball taking effect in right side of abdomen & Scrio was shot once in left hand & stabbed twice in the back, between the shoulders, one of which penetrated the left lung (by some unknown party). From the statement of Scrio, it appears that Scrio & some friends were seated at a table drinking & Lepharo who was seated at an adjoining table, took some exception to some remarks that had passed - They all arose and Scrio claims that Lepharo slapped his face and jumping on the sidewalk, drew his revolver and fired three shots at him in the saloon, one of which took effect in his left hand and as he thought wounded him in the back; He then drew his revolver & began shooting, but can not say how many shots he fired & while doing, Giardina, the proprietor, caught hold of him & ejected him from the place & on to sidewalk; He then returned into the place, through a side alley, where he dropped his revolver & on entering the saloon, the proprietor jumped on him and he ran out the front door and went to his home, where he was arrested by Duty Albert Giraud and Myself and being found wounded was sent to the Hospital in the Ambulance & Officer Jos P Markey placed there to guard him. Lepharo was also sent to the Hospital in an Ambulance & where he died from the effects of his wound about 11:45 P.M. Giardina was arrested and locked up in this Station charged with Violating Act [illegible] 86 (Sunday Law) & Dominick Raggio Jr who was in the saloon, when shooting occurred, was also arrested & held as a Material Witness. The weapons with which the shooting was done could not be found, evidently taken by some person connected with the place. No information could be gotten from the witnesses, although they were in the place, when the shooting occurred - Coroner notified.
