DETAILED REPORT.

I would report that at about 11:20 last pm, John London, aged 23 years, driver for Struffer-Eshleman Co Ltd, and residing No 924 Pennsylvania Av, while on sidewalk on Annunciation and Howard Ave, was shot in the abdomen with a revolver in hands of Custer Maloney residing No 1008 Calliope St, who made his escape. London was taken in Ambulance (No 1 in charge of Students J Hyman & Larson) to hospital and Examined at 6:15 pm same day. Description of Maloney and one Anthony Cosgrove who was with Maloney at the time, Beat will furnish for their arrest. Both men subsequently surrendered to me at this station that night - the former charged with Murder, and the latter with being an Accessory. From what could be learned as to the cause of the shooting, it appears that London and one Archie Wilson, residing No 911 Pennsylvania Av while passing corner Annunciation & Howard Ave stopped to examine a bundle of screen goods on the sidewalk. A party by the name of John Hayden an employee of Board of Health and residing No 4 Dolle Canal St then came on the scene and spoke to them saying "I have lost a lot of that stuff already" and walked off. He came back shortly afterwards with Maloney and Cosgrove - the latter a notorious character residing on Constance near Melpomene St - and as Maloney was asking London to shake hands with Hayden, London did so; and just then Maloney shot London, and with the other two left the corner. At 10:30 this am Hayden while on Calliope and St Charles Ave was arrested by Patrol Charles H. Merritt and taken by him to 1st City Criminal Court. Affidavits were then made by me against Maloney, Cosgrove and Hayden charging them with Murder

DETAILED REPORT.

Sergt Felix J Conrad reports at 6.40 o'clock this morning, the milk wagon of Frank Lafon a dairyman, aged 49 years, residing No 2103 Short St Corner of Panola St, was found on the South side of Canal St corner of Pierce St by Casimere Peytral, a dairyman residing on Helena St between Bienville and Iberville Sts Peytral on coming close to the wagon, and seeing no driver, found Lafon lying in the bottom of his wagon, covered with sacks and old coats. Lafon was sent to the hospital in the Ambulance where he died a few hours afterwards.— Upon an investigation by myself accompanied by Detectives Samuel Esconicios and Talley Woodworth and Patn George Huss, the following negroes were arested; Junius Wilson aged 16 years residing on Bienvilette near Mobile, and charged with being a material witness. Eddie Anderson aged 19 years, residing No 7918 Spruce St between Short and Fern Sts. who was arested from his residence, and Isaac Anderson aged 23 years, residing Corner Leonidas & Spruce Sts. where he was arested from and both locked up here charged with murder.— Junius Wilson was arested from the milk stable of the murdered man at 12.05 o'clock and the Anderson brothers at 1.05 p m. After an examenation of the stable, it was found that on the floor, blood stains were plainly evident near the feed trough, and among the cotton seed was also blood. A portion of the cotton seed with blood mixed among it was secured and brought to this station. A hatchet with blood upon the handle and blade was also found on the back gallery of the residence adjoining the stable. Junius Wilson after his

arest when questioned said that yesterday Eddie Anderson came to Lafons stable abut 12:30 oclock and went out with a wagon to get a load of cotton seed. Anderson returned to the stable about 4. O clock P.M. with the seed. Wilson left the stable at 6:30 P.M. Anderson borrowed a dime from Lafon, and also eat supper with him. This statement was denied by Eddie Anderson, who claims that he left his home at 10. a.m. yesterday to visit his brother Ike, and upon reaching his home his brother was not at home. Eddie returned home and remained there up to 6 Oclock this morning. Ike Anderson claims to have left his home Saturday morning and went to work on a sand barge in the New Basin near Liberty St. working almost continuously day and night since Saturday morning up until Tuesday morning to day with the exception of two hours each night, when he slept on the barge This statement is easily offset by four respectable white citizens who saw Ike Anderson standing on the Canal bridge on Mobile St and Carollton ave Sunday morning, at 2:40 oclock in company with another negro, this distance being within four blocks of the murdered mans dairy and residence. Eddie Anderson when placed under arest, denied all knowledge of where his brother lived. The Coroner viewed the body in the Station and charge with murder.

Charity Hospital. The old sacks and coats which covered the murdered man were turned over to me by Germain Lafon residing Corley and Cleveland Ave, and brought to this station in the patrol wagon as well as a pipe filled with tobacco. which was found in the feed trough, It is evident that while Lafon was in a stooping position over the feed trough he was struck with the hatchet: the motive to all appearances being robbery, afterwards. the unconscious mans body being placed in the wagon, and the horse turned in the direction of Canal started off by the murderers

In addition to this I have taken an inventory of the stock of Mr Lafon, having 15 Cows, one calf, one bull one milk wagon, one Spring wagon, two horses one roned and one dark bay, and two large white hogs one weighing about 200 and the other 150 to 175 pounds Patr Frank J Novel was placed there with instructions from me, not to allow any one on the premises, in company with an old friend of Lafons named William Miller, residing on Carrollton Ave between Neron and Sycamore Sts. I have taken full charge of the premises until otherwise ordered, as Lafon was divorced from his wife two years ago.

DETAILED REPORT.

Sergt Felix J Conrad reports at 6:20 o'clock this P.M having learned by telephone of a shooting affair at St Charles Ave and Adam St. On my arrival at the scene I found Corpl Davis and Officers Asher, Novel and Schmidt. I immediately placed Mr Broderick who resides at No 7717 St Charles Ave, in the patrol wagon, in charge of Officer Asher. On investigation I found that Albert Burner, a german, stopping with Mr Broderick was shot and seriously wounded by Mr Broderick in the yard of his residence. Burner was in the employ of Mr Broderick who conducts a restaurant at No 117 and 119 St Charles St near Canal as a driver of his restaurant wagon. Burner had been drinking during the day, and about 1:30 o'clock this P.M. he was considerably under the influence of liquor. He was given an order to go and get some grocery supplies on Poydras St. He was also sent to the French Market for some vegetables, accompanied by Mr Broderick who, owing to Burners condition had to drive the wagon back to the restaurant, and upon reaching the restaurant he called the attention of the manager John Reces residing on 8th St and Carondelet, to the condition of Burner. Mr Broderick accused Burner of being drunk, while he was placing some goods in the wagon. During the meantime Burner threatened to administer a beating to Mr Broderick Burner was ordered away from the place, while Broderick went to the crossing Corner Canal and St Charles, and requested a policeman, E. E. Ruiz to remove Burner away from his place of business, but did not want him locked up, which was done. WITNESSES,

I would respectfully report at about 7 oclock P.M last night on the New Basin--on Julia street near Willow--Christopher Brigtsen, aged 55 years, stave classer, employed by C J May and Company, stave importers, in the Hennen Building, residing on Antonine between Laurel and Constance streets, was assaulted, robbed and murdered, James Raymond Hogans, laborer, residing at 1632 Lafayette street, near Magnolia, was arrested at the corner of Lafayette and S. Robertson streets at 8 oclock this A.M., by myself, Corpl. Aguna and Officers Chamberlain and Mc Kee and was charged with murder.

The body of Brigtsen was found about 7 oclock this A.M. lying between two piles of staves on the New Basin near Willow street, by Jacob Moock, wood dealer, of Julia and Magnolia streets, who notified the First Precinct police station. The body was conveyed to the Morgue in the First Precinct patrol wagon in charge of Officer Adam Arnold and Driver Dan Moran.

In the Morgue, Assistant Coroner Hicton held an autopsy and found the following wounds on the body of Brigtsen:- One gash on the

DETAILED REPORT.

left side of the neck, about 4 inches long; one on the right side of the neck, extending from right ~~ear~~ end of the ear to the Adam's apple, severing the carotid artery and jugular vein; two cuts on the right cheek, under the eye, forming a cross; a large gash on the left side of the face; two cuts on the right side of the right leg; one cut on upper lip and cuts on both hands. In all there were eleven big wounds of which the one by which the jugular vein was severed caused death.

In investigating the murder, it was learned that Brigtsen and Hogan had been drinking together during yesterday. At about 7 o'clock last P.M., Hogan visited the saloon of Jeff. D. Snyder on Lafayette and S. Robertson streets and offered for sale a gold ring with initials C.B to M.C., and a gold watch--all of which was the property of Brigtsen. Walter Wicks, who was in the saloon at the time, took the watch and ring paying $1 for the watch and 25 cents for the ring last night and agreed to give 45 cents additional for the watch this A.M., which additional amount was paid.

Wicks, who resides on Lafayette and S. Robertson streets, in turning over the property of Brigtsen, which he had secured from Hogan, to Corporal William T Azcona this A.M., stated that at the time Hogan offered the watch and ring he noticed that there was some blood on the clothing of Hogan. The jewelry was offered in such a way that Wicks believed that it may have been stolen and that it was best for him to give the ridiculous price for it so that it would be in his possession and could be turned over to the rightful owner if found.

Hogan sold a blood stained knife for 15 cents this A.M. to Charles Egloff of 727 Magnolia street, and this was turned over to Corporal Azcona by Egloff.

With this evidence, which pointed to Hogan's connection with the murdr of Brigtsen, a search was made for the man and Hogan, whose trousers were still blood stained, was arrested at the corner of Lafayette and S. Robertson streets. ~~At the time he had on a coat which was free from blood stains and~~ his shirt was without blood stains. It was ascertained that the coat and shirt which Hogan wore at the time of his arrest were ~~not~~ worn by him at the time he offered the jewelry for sale. In searching for the coat and shirt, Nygels and the other officers found them under a bridge on Lafayette and S. Robertson streets. The coat proved to be the property of Private Matchman Field of the Illinois Central Rail Road. It was free of blood stains. This coat was stolen

from Field no doubt during yesterday. The shirt which was found under the bridge was blood stained.

The bloody clothing and the knife of Hogan were sent to Chemists Metz for analysis.

Hogan was interviewed by myself and Special to the Inspector, Frank Kenner and acknowledged that he was with Brigtsen, John Ganeby, Peter Fiecker and Thomas Burgoyne. As to the actual killing of Brigtsen, he said nothing. Hogan pretended that he had been too drunk during last evening and night to remember anything very clearly.

Ganeby, Fiecker, and Burgoyne were placed in the First Precinct station and are being held pending further investigation.

Besides Special to the Inspector, Frank Kenner, Special Officers Trenchard and Paderas assisted in the investigation.

Very respectfully,

his house. He upbraided his wife which terminated in a fight between the two. Mrs. Jones called her son, Joseph Green and he became involved in a difficulty with Jones. What then took place is explained by Sylvestre Francois, an aged colored man, living next door. He stated that he was aroused by the scuffle and heard Jones ask Green to let him go. Green exclaimed "no I won't let you go, will have to cut me loose" Green then cried out, "now you have killed me". Green's mother screamed to attract attention.

A knife was picked up, to-day, at the scene of the stabbing by Corpl. Wm. H. Acosta, who brought it to this station as evidence.

Patience Jones, mother of Green, upon being shown the knife, stated that it belonged to Jones and was the one with which he stabbed Green.
